

## PROFESSIONAL PROFILE

A multitasking and experienced Lecturer in Law and Researcher recognised for excellence in research, project management, and the development of innovative solutions to complex issues. Offering highly perceptive insight into the needs and views of students and academic staff, capable of identifying problem areas and developing innovative curricula, programs, strategies and solutions to maximise educational outcomes. Recognised for excellence in delivering constructive leadership and strategic planning to provide a positive learning environment that fosters academic achievement in students and professional growth. Strong orientation towards high productivity, quality and efficiency in carrying out research and administrative operations. Equipped with exceptional communication and interpersonal skills with a robust reputation for promoting a supportive team culture, high staff morale and alignment to best practice.

Aiming to further contribute to academia and the community by formulating proposals on the efficient upgrade of WA policies relevant with the governance of environment protection, as well as other policies and projects.
